Please mark one of the circles for each component of the exercise on a scale of 1 (extremely poor) to 9 (extremely good). A score of 1-3 is considered unsatisfactory, 4-6 satisfactory and 7-9 is considered above that expected. Please note that your scoring should reflect the performance of the SpR against that which you would normally expect at their stage of training and level of experience. If you score 1,2 or 3 please give a brief example in the comments box. Please feel free to add any other relevant opinions about this doctor's strengths and weaknesses.
