

RCP annual RITA summary of DOPS completed

This is to be completed by the educational supervisor prior to each RITA using the generic forms from each assessment completed. Complete a separate one of these forms for each type of procedure assessed. If there are concerns a trainee's additional section forms (found in the trainee's logbook) can be reviewed at the RITA.

Trainee's GMC number: _____ Year of SpR training: _____

Hospital: _____ Name of educational supervisor: _____

Number of DOPS completed: _____

Total number of judges assessing these: _____

Names of procedures being assessed: _____

Date of first DOPS this year: _____ and last DOPS this year: _____
