

Specialty Certificate Examination (SCE) in Medical Oncology 2017 Selected Examination Metrics

The 2017 SCE in Medical Oncology was sat by 127 candidates of which 47 were self-declared UK trainees. Candidates who did not declare their training details are reported as 'Other' (80).

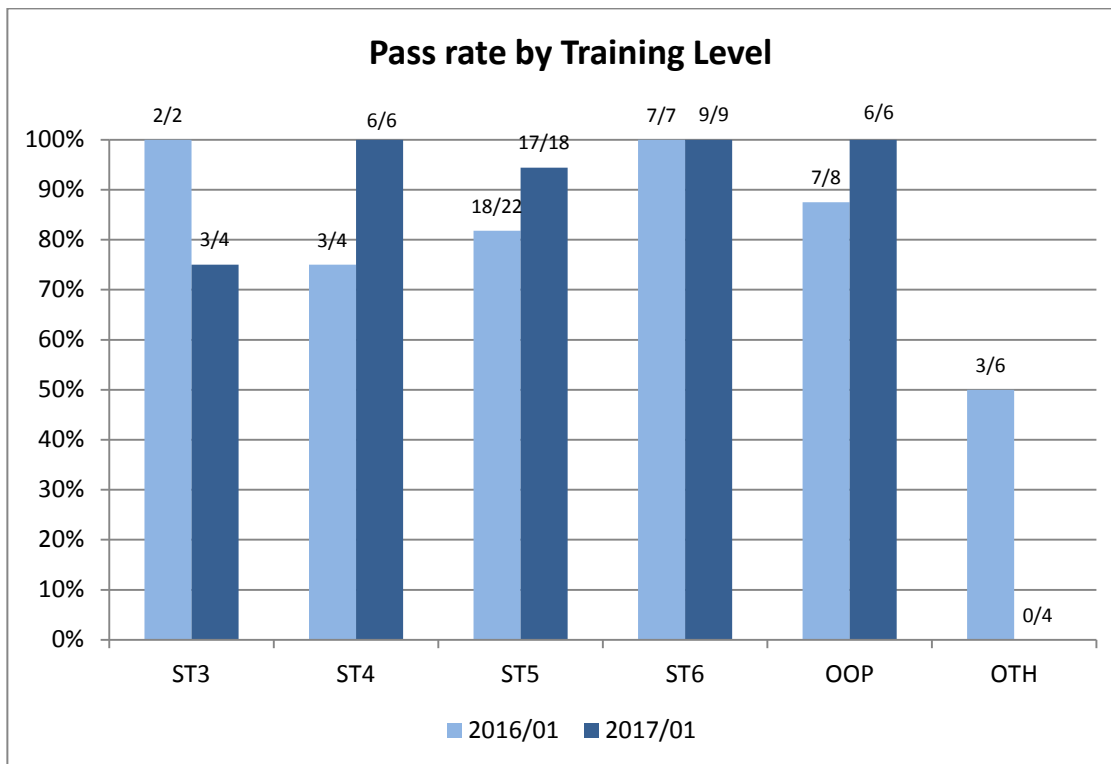

Pass Mark

The pass mark for this examination was established by using the Hofstee compromise method which combines the mean scores of the standard setting group with UK trainees' performance.

For the 2017 Medical Oncology examination the pass mark was set at 56% (112/200).

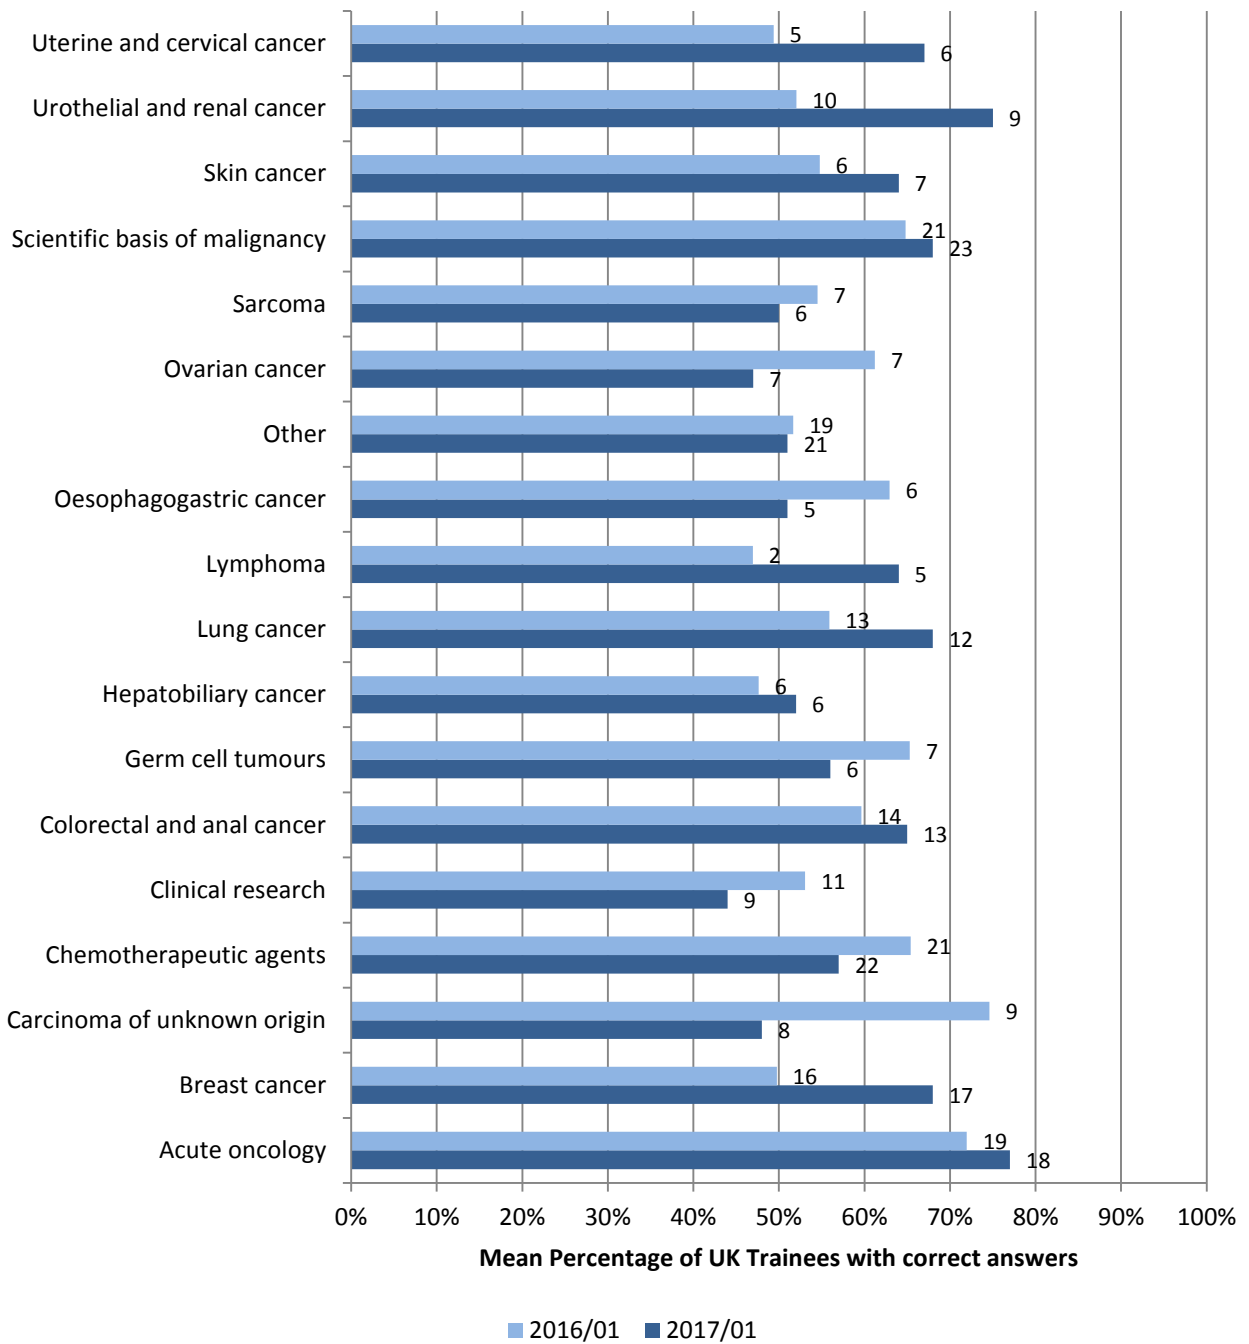

More information on standard setting can be found here
