

Name: AAA
Code Number: 00001
Exam Number: 01

Examination Result: PASS
Examination Scaled Score Overall: 610
Examination Pass Mark: 528

The pass mark of 528 has an equivalent of 60% ($\pm 3\%$ depending on difficulty of the exam. For example, the current exam is compared to previous exams and the pass mark could be around 57% if the exam is harder or around 63% if it's easier). The raw score required to pass could be between 114 and 126 correct answers depending on exam's difficulty.

Performance per topic is displayed in percent to help candidates in identifying their weak areas. To estimate how many correct answers a candidate has in each topic one needs to know the number of questions tested in the exam for each topic. This number can vary from exam to exam but as a guideline, the number of questions tested in each topic could be found on MRCPUK exam format web page.

Analysis of answered items by specialty

Specialty	Answered correctly %
Cardiology	67
Clinical Haematology and Oncology	50
Clinical Pharmacology, Therapeutics and Toxicology	58
Clinical Science	59
